1) Network provider delivers care. The in-network office co-payment applies to examinations and evaluations only. Other services performed at the office setting may be subject to the coinsurance.

2) Out-of-network services (except Mental Health Care and Alcohol/Substance Abuse Care – see footnote 5) are those from a provider that does not participate in Empire’s PPO network, or with another Blue Cross and Blue Shield Plan through the BlueCard® PPO Program. (This does not apply to emergency benefits.)

3) Out-of-network (O-O-N) providers – those who do not participate in Empire’s PPO network or with another Blue Cross and Blue Shield Plan through the BlueCard® PPO Program. Out-of-network providers, who do not participate with Empire or with another Blue Cross and Blue Shield Plan, will be reimbursed at the in-network rate and the provider may balance bill you over Empire’s allowed amount.

4) You are responsible for obtaining precertification from Empire Blue Cross Blue Shield Medical Management for these services provided in-area and out-of-area, in-network and out-of-network. Your provider may call for you. For ambulatory surgery, precertification is required for reconstructive surgery, outpatient transplants and ophthalmological or eye-related procedures. Precertification is also required for cosmetic surgery, an excluded benefit except when medically necessary.

5) You are responsible for obtaining precertification from Empire’s Behavioral Healthcare Management for these services. Your provider may call for you.

6) In-network office copay applies to Second Surgical Opinion visit unless waived by Empire Blue Cross Blue Shield Medical Management. Coinsurance may apply to other services performed at the office setting.

Services provided by Empire HealthChoice HMO Inc. and/or Empire HealthCare Assurance, Inc., licensees of the Blue Cross and Blue Shield Association, an association of Independent Blue Cross and Blue Shield plans.

NOTE: This is a benefits summary only and is subject to the terms, conditions, limitations and exclusions set forth in the contract. Failure to comply with Empire Blue Cross Blue Shield Medical Management or Empire’s Behavioral Healthcare Management Program requirements could result in benefit reductions.
