Your Laser Vision Correction Benefits

Davis Vision – In-Network

All surgeries, including PRK and Lasik, are performed at preeminent Eye Centers of Excellence, and staffed by renowned ophthalmologists and surgeons using advanced instrumentation.

If you utilize Davis Vision for Lasik Surgery you have the following two in-network options to choose from:

Preferred Provider Network*

Local 94 eligible participants who choose a provider from the Davis Vision *Preferred Network* receive a paid-in-full benefit for Laser Vision Correction (including LASIK or PRK). Eligible participants are not responsible for any out-of-pocket expense and there are no claim forms to fill out.

Standard Provider Network*

Eligible participants may also choose to obtain Laser Vision Correction services from a Davis Vision *Standard Network* provider. These providers have agreed to offer a discount of up to 25% of their usual and customary fees (or 5% off any advertised special). Local 94 eligible participants will be responsible for paying the provider (after the discount is applied) any amount over \$1,000.00 per eye at the time of service. There are no claim forms to fill out.

Please be aware that if you select services from a Standard Network provider; you may be responsible for some out of pocket expenses, please confirm pricing with the provider prior to surgery.

*** Eligible participants using either in-network option must first receive a confirmation number from Davis Vision before seeking services.**

Out-of-Network Laser Vision Correction Benefits

You may also obtain Laser Vision Correction services from any non-participating provider you choose. If you chose a non-participating provider, you will be responsible for paying any cost beyond Local 94's Health and Benefit maximum allowance of \$1,000.00 per eye for Laser Vision Correction surgery. In order to receive payment for a non-network provider you must complete the Empire Blue Cross claim form and submit the claim directly to Empire Blue Cross. The Empire Blue Cross claim form can be downloaded at www.local94.com.

*****Important*****

2. Local 94 will verify the eligibility and supply it to Davis Vision.

3. Once Local 94 has verified eligibility, Davis Vision will mail the member a confirmation number.
4. Eligible participants can make an appointment with one of the participating providers and give the confirmation number to the provider.
5. A confirmation number is ONLY valid for 60 days.

Frequently asked questions and answers about the Laser Vision Correction benefit:

What is the Davis Vision Preferred Network and how does it work?

Davis Vision has developed a *Preferred Network* of laser vision correction providers who have agreed to accept a predetermined amount as payment in full. This *Preferred Network* of providers covers the tristate area and should be accessible to most Local 94 members.

If you choose this option, Laser Vision Correction is covered in full. There are no claim forms to fill out.

Each of the participating providers in the Davis Vision *Preferred Network* has agreed to provide a package of services, including: an initial assessment, pre and post-operative care, surgeon and facility fees, and enhancements (if required) for up to one year.

Following a Laser Vision Correction procedure, you will receive an explanation of benefits from Davis Vision indicating the benefits paid under Local 94's Plan.

To locate a provider who participates in the Davis Vision *Preferred Network*, refer to the provider directory. You can also access that information online via Davis Vision's website at www.davisvision.com or there is a link on the Local 94 website at www.local94.com. The client code for Local 94 is 7084. You can also call Member Services directly at 1-800-584-2866.

What is the Davis Vision Standard Network and how does it work?

Davis Vision has developed a network of Laser Vision Correction providers (outside of the Preferred Network) who have agreed to discount their usual and customary charges (up to 25% off or 5% off any advertised special -whichever is lower. Some centers are already at fixed fees equating these discount levels).

Local 94 eligible participants will be responsible for paying the provider (after the discount is applied) any amount over \$1,000.00 per eye at the time of service. There are no claim forms to fill out. Eligible participants can locate a provider by referring to the provider directory, by accessing the information online via Davis Vision's website at www.davisvision.com or by calling toll-free **1-800-584-2866** and entering client code 7084.

How can I find out if Laser Vision Correction is right for me?

You should learn as much as you can about Laser Vision Correction, including the benefits and risks. A good place to start is the Federal Food and Drug Administration (FDA) website on Laser Vision Correction. The web address is www.fda.gov/cdrhilasik. You can also learn more about Laser Vision Correction at the Davis Vision website which is www.davisvision.com.
