

We are in need of Local 94 members who would be interested in spreading the word to all of our Local 94 brothers and sisters to get their support to vote down the re-opening of the Constitution Convention. To re-open it could jeopardize Unions as we know them in New York State. This could impact all of Labor and working people, and open the door to New York becoming a Right to Work state.

All of Labor needs to wake up and work together to defeat these laws.

We will have a Preparatory Meeting on Thursday, September 21<sup>st</sup> at 4:30PM in the Training Center – 331 West 44<sup>th</sup> Street - Room 4.

**PLEASE DO YOUR BEST TO BE THERE**
