

Effective August 1, 2017 through April 30, 2018

FLU VACCINE

Your best **SHOT** at staying healthy

HOW TO STAY A STEP AHEAD THIS SEASON:

- Visit any CVS pharmacy for the Quadrivalent Flu Vaccine (under age 65) or the Fluzone Vaccine (age 65 and over)
- Fast and easy; no appointment necessary
- Available in every store, every day*
- The ability to vaccinate children at a CVS pharmacy can vary based on state guidelines
- Bring your prescription card and a valid photo ID
- No copay⁺ - No cost - You are covered 100 percent by your plan

TOGETHER WE CAN HELP PREVENT COMMON ILLNESSES BEFORE THEY START
Stop by a CVS pharmacy to get vaccinated today!

*Vaccines are available when immunizing pharmacist or MinuteClinic® practitioner is on duty, while supplies last.

+Copayment, copay or coinsurance means the amount a member is required to pay for a prescription in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.

Your privacy is important to us. CVS/Caremark employees are trained regarding the appropriate way to handle your private health information.
