

# Get your Seasonal Flu Shot

## Make Your Health a Priority This Fall

Flu season is here, and it's more important than ever for you to take care of your health.

By getting a single flu shot you can protect yourself against the seasonal flu and other forms of the flu virus. To obtain this year's vaccine, go to a local pharmacy that participates in the Vaccine Immunization/ Injection Network administered by OptumRx.<sup>1</sup> You may wish to call ahead to confirm. Participants may obtain a flu shot on a walk-in basis by presenting their OptumRx ID card at time of service. Supplies may vary by location.

This list represents the larger retail chain pharmacies in our network, but is not comprehensive. For a more complete list, login to **optumrx.com** or call **1-855-295-9140**.
