Dear Brothers and Sisters,

Due to the Covid-19 pandemic, we've had to cancel many events this year, some of which included the Local 94 Scholarship Picnic and the Spring and Fall Golf Scholarship outings. These events are monumental in fundraising to help support our Local 94 Scholarship Fund. Over the last 40 years, this fundraising has allowed the Local 94 Scholarship Fund to award scholarships to the children of 229 members.

The annual Local 94 journal booklet is also an extremely important part of this fundraising effort to help maintain these scholarships. Since the events listed above have been cancelled, the revenue generated for the Scholarship Fund by these events is lost. I call upon the members to help support your Local 94 Scholarship Fund, by taking out an ad in the Local 94 journal booklet. I urge crews to support this journal together. Everyone in the crew should be proud to support this cause and take a journal ad for their building, as has been done in the past.

We hope you will consider participating in the Local 94 journal booklet in any way possible to help keep the Local 94 Scholarship Fund going.

Fraternally,

Kuba Brown
