

From Hired to Retired - Financial Planning Webinar

All Are Welcome!
Financial Planning for Local 94 Members

*Join us for this informative webinar
Either April 20th or April 21st, 2021
Start planning now!*

Register above or below!

Planning for your financial future during your career is considered to be a critical piece of proper financial planning. As an Operating Engineer, there are many different avenues to explore regarding which options are best suited for your specific needs and lifestyle. The sooner you can educate yourself about the various financial strategies available to you, the more time you will have to enact them and build the future that you want.

Attend this webinar to learn more about:

- Basic Budgeting / Credit tips
- What types of insurance do you need
- Investment Basics
- How to save for your child's college
- Planning for Retirement
- Basic Estate Planning

Please join us for this exciting webinar in order to learn tips, tricks, and advice on how to be best prepared when making important financial decisions.

Stacey Braun Associates is the provider of the free Local 94 financial counseling benefit paid for by Local 94. This is not a solicitation to sell financial products. Stacey Braun cannot give specific investment recommendations in regards to the Annuity Fund.
