Dear Brothers and Sisters:

May 29, 2013

Again we witnessed the destruction and devastation that Mother Nature can dish out in an instant. News reports indicate that the tornadoes that ripped through the Midwest United States destroyed thousands of homes and affected countless lives. Again, the IUOE National Charity Fund stands ready to assist members with emergency funds to aid their recovery efforts.

The International came to the aid of Local 94 members during Hurricane Sandy. Distributing close to a ½ million dollars in financial aid. Local 94 will be donating \$20K and I am asking you if possible to make a personal donation.

Listed below are the details:

**Checks should be made payable to:
The Operating Engineers National Charity Fund**

**Send to:
Chief Financial Officer
International Union of Operating Engineers
1125 17th Street, NW
Washington, DC 20036**

Individual contributions are tax deductible. You will receive a letter from Mr. John Loughry, of the International, with their tax ID number indicating that the contribution is tax deductible.

I thank you in advance for your generosity towards our fellow Operating Engineers in need.

Fraternally,

Kuba J. Brown
Business Manager/President

KJB/jd

We Will Never Forget
