Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In-Network & Out-of-Network combined: \$100 person/\$400 family. Doesn't apply to emergency room, exams/evaluations, preventive care, prescription drugs and for those benefits that are administered by the Fund Office. <u>Balance billing</u> , excluded services, <u>copayments</u> & <u>coinsurance</u> , do not count toward the <u>deductible</u> .	If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Preventive care and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Not Applicable.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
What is not included in the <u>out-of-pocket limit</u>?	Not Applicable.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
Will you pay less if you use a <u>network provider</u>?	Yes. See www.Local94.com or call 1-212-541-9880 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>).
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
