Re: Summary of Benefits and Coverage – Medicare Retiree Coverage for the Commercial Division

Date: November 7, 2023

Enclosed you will find the Summary of Benefits and Coverage (“SBC”) for the Health and Benefit Trust Fund of the International Union of Operating Engineers Local 94-94A-94B, AFL-CIO (“Fund”) that pertains to the benefit coverage option offered to eligible retirees in the Commercial Division. Accordingly, this SBC summarizes available benefits for this Medicare retiree option; and is intended to comply with the applicable disclosure requirements under the Patient Protection Affordable Care Act (“ACA” or the “Affordable Care Act”). Please share this SBC with your family members who are eligible for this health coverage under the Fund.

Please note that if you have coverage under a different coverage option, you will receive a separate SBC describing that coverage. As such, there are separate SBCs that describe the Fund’s benefits for the Commercial Active, Commercial Retiree PPO, Commercial Basic Retirees, School Active, School Retiree PPO and School Medicare Retirees.

The federal government developed a model SBC form primarily to help people who will shop for individual health coverage on the health care exchanges. The SBC is designed so that individuals can conduct an “apples to apples” assessment of the material benefits and costs when comparing different health plan coverage. For that reason, we were not allowed to customize much of the enclosed SBC and, therefore, some aspects of it may not be relevant to the Fund’s benefit coverage option for the Commercial Division.

SBC Disclosure Requirement under ACA

Generally speaking, the Affordable Care Act has some very strict disclosure requirements for the SBC - the maximum number of pages, the font size, the colors, etc. To best understand the benefits provided by the Fund’s benefit coverage option for the Commercial Division, we recommend that you refer to the benefit materials that you are used to seeing from the Fund - our website, www.local94.com, the Open Enrollment Materials, the Summary Plan Description (“SPD”) and other Fund - documents in conjunction with your review of the enclosed SBC and for comparative purposes to SBCs issued by other plans or insurers.

In accordance with the applicable disclosure requirements under ACA, the SBC includes three examples - one for having a baby, one for managing type 2 diabetes, and one for a simple fracture emergency room visit and follow up care. The examples show the health care costs for you and the Fund associated with each of these three situations. As you read these examples, it’s very important to note that these costs are national averages; they do not reflect what the actual services might cost in your area. Similarly, your course of treatment might also be very different depending on whether you receive care from an In-Network Provider or an Out-of-Network Provider (the examples only show costs for In-Network Providers), your doctor’s approach, your age, your other health issues, and many other factors. These examples are included to help someone compare how different health plans might cover the same condition - not for predicting your own actual health care expenses.

You may find that the SBC discusses the Fund's benefits in ways that may seem unfamiliar to you. For instance, there may be terms you haven't seen before, or terms that you have seen before but are being used differently. The SBC also refers to a "Glossary of Health Coverage and Medical Terms," which cannot be customized for the Fund. If you read the SBC or the Glossary and find yourself confused at any time, we recommend that you refer to your SPD, the Local 94 website (www.local94.com) and the other materials describing your benefits that you have received or may be eligible to receive from the Fund; or contact the Fund Office at (212) 541-9880.

For More Information

Please keep this SBC with your copy of the SPD for easy reference. Please note that receipt of this document does not constitute a determination of your eligibility for benefits under the Fund. If you have any questions about Fund- provided coverage, please call the Fund Office at (212) 541-9880. If you have general questions about the SBC or the Glossary, you may want to contact the Employee Benefits Security Administration of the U.S. Department of Labor at (866) 444-3272 or www.dol.gov/ebsa, or the U.S. Department of Health and Human Services at (877) 267-2323 Ext. 61565 or www.cciio.cms.gov.

IMPORTANT NOTICE REGARDING THE FUND'S GRANDFATHERED PLAN STATUS

The Board of Trustees believes that the Fund is a "grandfathered plan" as such term is defined under the Affordable Care Act. As permitted by this law, a grandfathered health plan can preserve certain basic health coverage that was already in effect when the Affordable Care Act was enacted. Being a grandfathered health plan means that the medical coverage that you have elected under the plan may not include certain consumer protections of the Affordable Care Act that apply to other group health plans, for example, the requirement for the provision of preventive health services without any cost sharing (i.e., copayments, coinsurance, deductibles). However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits and extension of coverage to dependents until age 26. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Fund Administrator during normal business hours at: 331-337 West 44th Street, New York, New York, 10036, telephone number: (212) 541-9880. You may also contact the Department of Labor at (866) 444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered plans.

This notice and the enclosed SBC contain highlights of certain features of the Fund's benefit coverage option for the Commercial Division. Full details of these benefits are contained in the Fund's SPD and other official plan documents (collectively "Official Plan Documents"). If there is a discrepancy between the attached SBC (or this letter) and the Official Plan Documents, the Official Plan Documents will govern in all cases. The Trustees have the sole and absolute discretion and reserve the right to amend, modify, or terminate the Fund at any time.

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, you can view this at www.Local94.com or by calling 1-212-541-9880. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-212-541-9880 to request a copy.
